

EDWIN LEON

Brisbane, Australia · [linkedin/edwinleon](https://www.linkedin.com/in/edwinleon) · +61 0452069981 · edwinleon@webdevinnovation.com

Full Stack Developer with 3+ years of experience in frontend and backend development, specializing in JavaScript and TypeScript. Proven track record in leading projects, optimizing app performance (improving speed by 90%), and resolving data-type issues (addressing 70% of challenges). Highly adaptable and skilled in various technologies, libraries, and tools to enhance productivity and user experience.

EXPERIENCE

Perceptio

FrontEnd Developer

Medellín, Colombia

Apr 2024 – Sept 2024

- Led the migration and standardisation of frontend applications for Inchcape, centralising data within SAPUI5.
- Rewrote code to improve performance, data access speed, and UI, enhancing user experience.
- Implemented CI/CD services (SAP BTP) and webhooks, reducing manual deployment time and increasing team efficiency.
- Transitioned document repository from Azure to SAP BTP DMS for improved data governance and control.

Mundo Cloud

FullStack Developer

Bogotá, Colombia

Jul 2022 – Apr 2024

- Optimized apps, reducing startup time from 40 sec to 2 sec by implementing new routing for specific data access.
- Migrated from jQuery to OData services, improving data retrieval speed by 10x.
- Introduced Nest.js with TypeScript to centralize backend validations, reducing data errors and improving data integrity.

Freelance

FrontEnd Developer

Bogotá, Colombia

Jan 2022 – Present

- Developed custom websites for clients in various industries (lawyers, teachers, restaurants) to showcase their portfolios.
 - Optimised sites for SEO and integrated with Google AdWords, improving visibility and ad campaign performance.
-

EDUCATION

HENRY BOOTCAMP

Bogotá, Colombia

December 2021

Full stack web developer

- Completed over 800 hours of coding, developing full-stack applications with JavaScript, React, Node.js, and SQL.

UNIVERSIDAD ECCI

Bogotá, Colombia

April 2018

Technologist in Industrial Mechanics

- Won a mathematics contest during studies, demonstrating strong problem-solving skills.
